Cambiar Investors, LLC (Cambiar) is an independent registered investment adviser with the United States Securities and Exchange Commission. Cambiar claims compliance with the Global Investment Performance Standards (GIPS®).

Cambiar's International Small Cap Composite includes discretionary, taxable and tax-exempt portfolios. The records of the portfolios in the composite are maintained on Cambiar's systems. Portfolios in the composite invest in equity securities of small-cap foreign companies. Cambiar's International Small Cap Composite primarily invests in stocks with a market capitalization range between \$500 million and \$5 billion. The typical number of securities in the International Small Cap portfolio is 40-50 holdings. The International Small Cap Composite contains proprietary assets. As of April 2020, there is no minimum asset level for the composite. Prior to April 2020, the minimum asset level for the composite was \$500,000.

Returns are presented gross (g) and net (n) of management fees. Gross and net returns have been reduced by transaction costs. Net returns are also reduced by actual investment advisory fees and other expenses that may be incurred in the management of the account. Net of fees performance reflects a blended fee schedule of all accounts within the International Small Cap Composite. Cambiar clients and mutual fund investors may incur actual fee rates that are greater or less than the rate reflected in this performance summary. Fees will vary based on the assets in the accounts. Returns are reported in U.S. dollars.

Performance results for the International Small Cap Composite are evaluated against the MSCI EAFE Small Cap Index. The MSCI EAFE Small Cap Index is a free float-adjusted, market capitalization weighted index that is designed to measure small cap representation across developed market equity performance, excluding the U.S. & Canada. The index assumes no management, custody, transaction or other expenses. The MSCI EAFE Small Cap Index is a broadly based index that reflects the overall market performance and Cambiar's returns may not be correlated to the index. The index is unmanaged and one cannot invest directly in an index. Cambiar's performance and the performance of the MSCI EAFE Small Cap Index include the reinvestment of all income. Benchmark returns are net of withholding taxes. Prior to July 2019, Cambiar typically followed each custodian's treatment of tax withholding and therefore dividends may have been presented as gross or net of dividend tax withholding depending on the custodian's treatment. As of July 2019, Cambiar typically records dividends net of withholding taxes although it may depend on various factors such as the issue country and custodian's treatment. Withholding taxes may vary according to the investor's domicile, and other reasons. Source: MSCI.
