Cambiar Investors, LLC (Cambiar) is an independent registered investment adviser with the United States Securities and Exchange Commission. Cambiar claims compliance with the Global Investment Performance Standards (GIPS®).

Cambiar's Small Cap Value Composite (Institutional) includes discretionary, taxable and tax-exempt institutional and high net worth portfolios that are not part of broker-affiliated or broker-sponsored programs, including wrap programs, that waive commission costs or bundle fees including commission costs. The records of the portfolios in the composite are maintained on Cambiar's systems. Portfolios in the composite invest in equity securities of small-cap companies. Cambiar's Small Cap Value Composite (Institutional) includes portfolios that primarily invest in stocks with a market capitalization range between \$500 million and \$5 billion. The typical number of securities in the small cap value portfolio is 45-55 holdings. From 2004 to December 31, 2013, the composite included separately managed accounts that were part of broker-affiliated or broker-sponsored programs, including wrap programs. As of April 2020, there is no minimum asset level for the composite. From 2014 to March 2020, the minimum asset level for the composite was \$1,000,000. Prior to 2014, the minimum asset level for the composite was \$100,000. For the periods of 2004 through December 31, 2013, the performance presented reflects the actual performance of the Cambiar Small Cap Value Composite, which contains portfolios with investment objectives, policies, techniques and restrictions substantially similar to that of the Small Cap Value Composite (Institutional). The Small Cap Value Composite (Institutional) includes proprietary assets.

From 2014 to present, the composite contains accounts with only gross performance. Prior to 2014, the gross returns reflect accounts with both gross and "pure" gross performance. Gross returns are reduced by transaction costs. "Pure" gross returns do not reflect the deduction of any expenses, including transaction costs. "Pure" gross returns are applicable to separately managed accounts that are part of broker-affiliated or broker-sponsored programs, including wrap programs, that waive commission costs or bundle fees including commissions (SMAs). "Pure" gross returns are supplemental information. Net returns are reduced by transaction costs and actual investment advisory fees and other expenses that may be incurred in the management of the account. SMAs often incur bundled fees, charged by the wrap sponsor or affiliated broker, that may include transaction costs, investment management, portfolio monitoring, consulting services, and custody fees. Net returns for SMAs are calculated by deducting the investment advisory fees from the client's account as reported by the wrap sponsor or affiliated broker, or as received by Cambiar. Cambiar clients may incur actual fee rates that are greater or less than the rate reflected in this performance summary. Fees will vary based on the assets in the accounts. Returns are reported in U.S. dollars.

Performance results for the Small Cap Value Composite (Institutional) are evaluated against the Russell 2000® Value Index. The Russell 2000 Value Index is a float-adjusted, market capitalization weighted index comprised of firms in the Russell 2000® Index that experience lower price-to-book ratios and lower forecasted growth values. The Russell 2000 Index is a float-adjusted, market capitalization weighted index that measures the performance of the 2,000 smallest companies in the Russell 3000® Index, which consists of 3,000 of the largest U.S. equities. The index assumes no management, custody, transaction or other expenses. The Russell 2000 Value Index is a broadly based index that reflects the overall market performance and Cambiar's returns may not be correlated to the index. The index is unmanaged and one cannot invest directly in an index. Cambiar's performance and the performance of the Russell 2000 Value Index include the reinvestment of all income.
